NOTICE (Internal Marks Component)

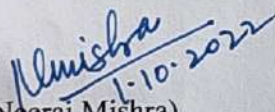

All the students are notified that there are three components of internal marks viz. Class Test (CT), Attendance (AT) and Teacher's Assessment (TA). The procedure of awarding the internal marks is given below:

1. Class Test (CT) marks are awarded on the basis of the Sessional & PUT marks.
2. Attendance (AT) marks are awarded on the basis of the percentage of classes you have attended. Students who attend more than 80% of classes get full marks.
3. Teachers Assessment (TA) marks are awarded by the teachers on the basis of various assignments & class test etc.
4. After totaling the CT, AT & TA components, marks are scaled up/moderated through ERP only.
5. If a student is not registered over ERP, faculty members will not be able to fill any component of marks.

Therefore, the sessional marks awarded depend on student performance only. Students are advised to attend all the classes, appear in sessional and pre university examinations to score better marks in the internals.
