6	Lush Green campus	18-22

CLEAN CAMPUS INITIATIVES

1. Nukkad Natak on “Say No to Plastic”

The students of Kanpur Institute of Technology have performed a nukkad natak to spread awareness about the harms of using plastic.

Kanpur Institute of Technology believes that the single use plastic should be completely banned in college premises.

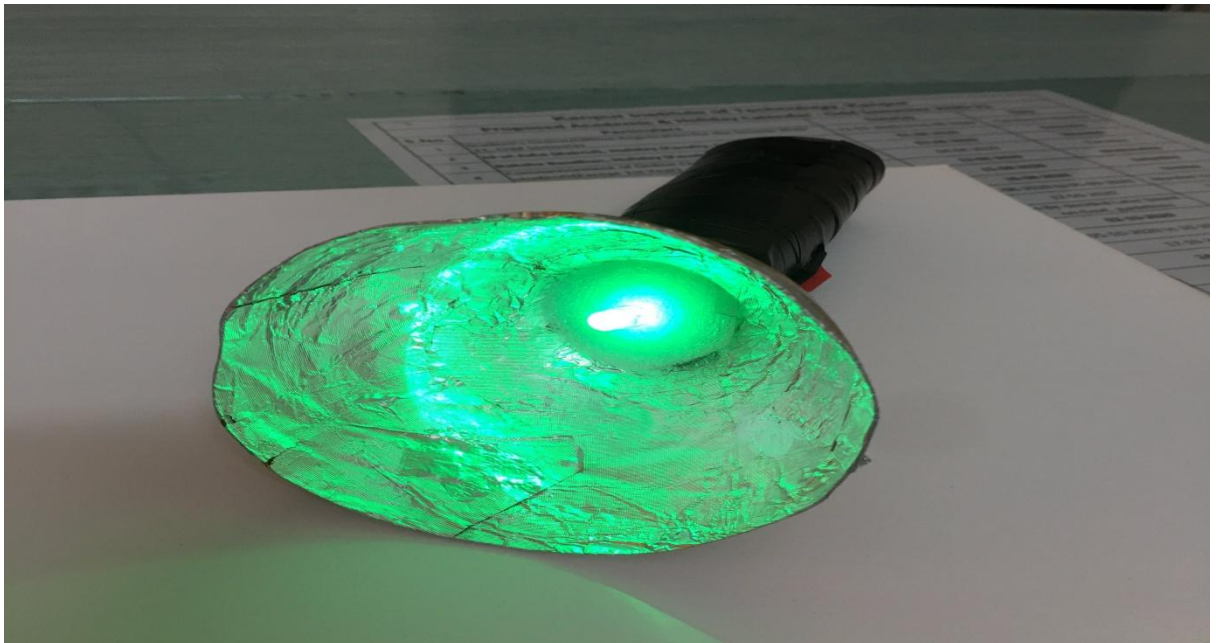

2. Workshop on “Best from Waste”

Kanpur Institute of Technology has organized a one day workshop on “Best from Waste” in which the students used the waste materials to create something useful.

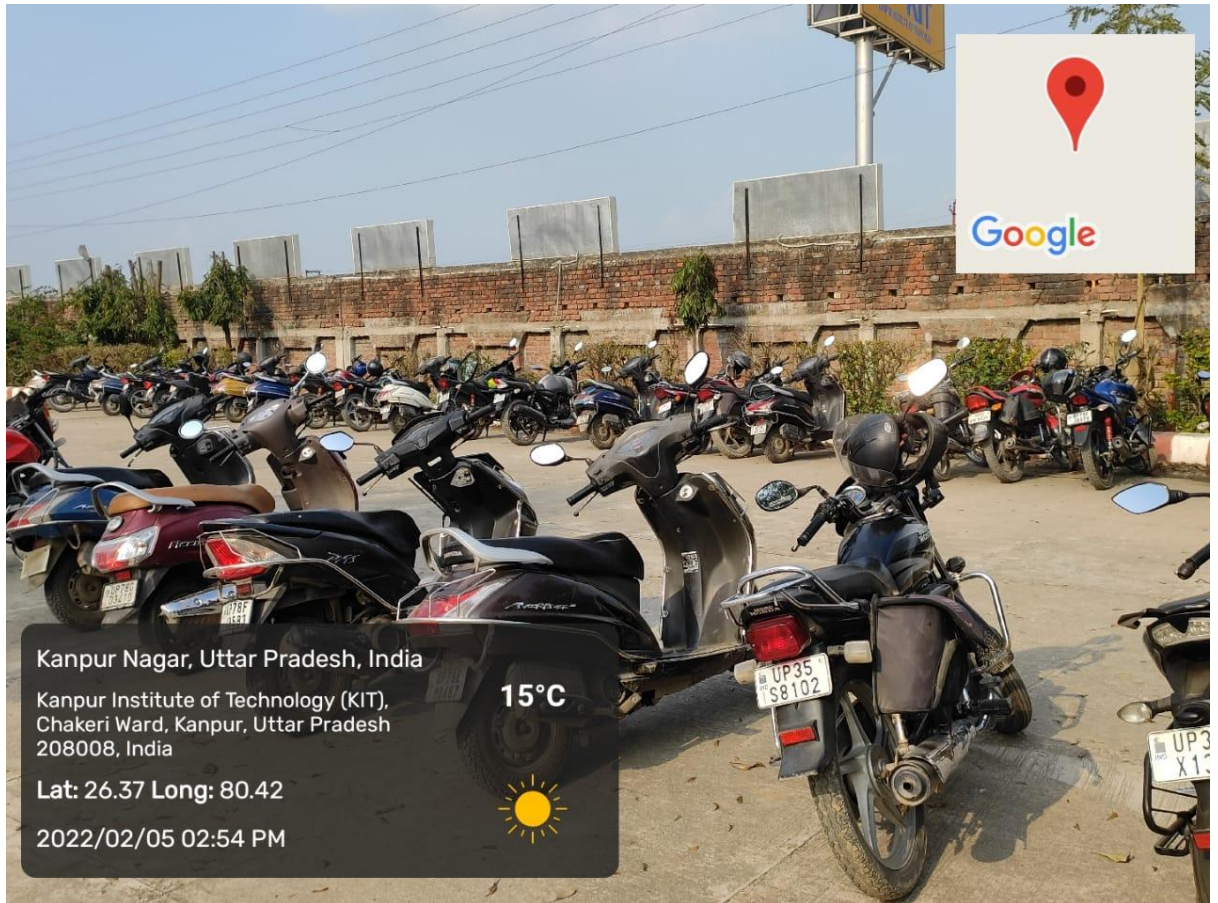

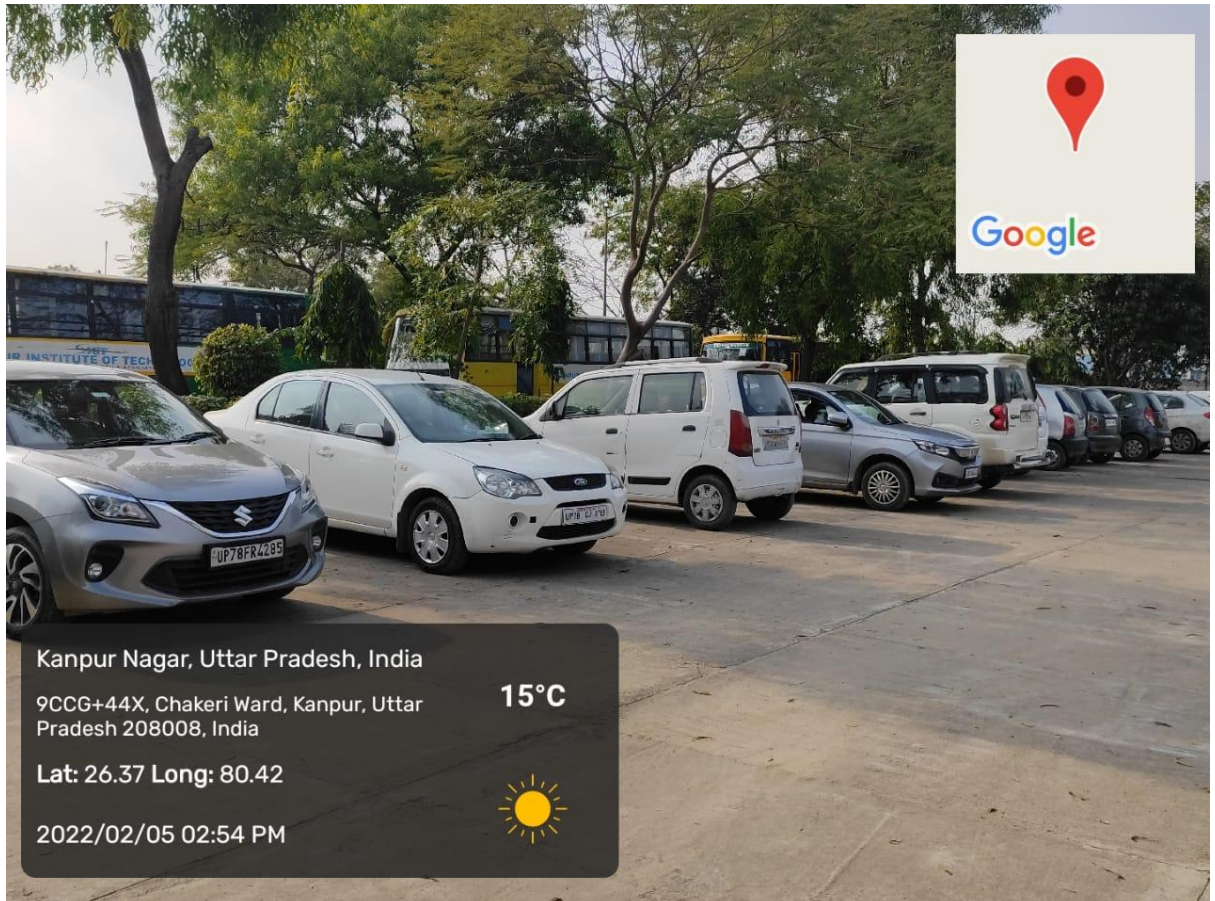

3. Restricted Use of Automobiles in college campus

Kanpur Institute of Technology has a strict policy on the usage of automobiles within the college campus.

Beyond parking, no vehicle is allowed to enter the college premises.

GREEN CAMPUS INITIATIVES

1. Celebration of World Environment Day: Kanpur Institute of Technology celebrates World Environment Day every day and plants trees in the campus.
