

Report on action taken on ninth meeting of IQAC held on 02/08/2022

The following action has been taken as per the minutes of the meeting:-

- (i) It has been decided by the chairperson, Dr. Prashant Kumar Katiyar to arrange for the workshop and motivate teachers to publish research papers in reputed journals and develop innovative projects along with the final year's students which could be promoted to apply for patents.
- (ii) Ms. Nalini Pandey has informed that there is a need to include industry oriented training in the academic curriculum. After detailed discussion with all the members of IQAC it has been decided to create separate department for technical training and professional communication. Further, the responsibility for imparting training related to HR round of interview is given to Training & Placement dept.
- (iii) Ms. Sonam Parmar informed about the methods and techniques adopted by the college to reduce down energy consumption and proposed to have energy audit from external agency. .
