Collaborative Quality Initiatives 2018-19

Entrepreneurship Skills

A workshop on “Entrepreneurship Skills” was conducted at Institute on 23rd August 2018. Guest Speaker Mr. Amit Tiwari, **MKT Software**, explained students about strong technology skills required in becoming an entrepreneur. He also focused on some key areas and social abilities needed to build a great team in startups.

Entrepreneurship & Social Media

Kanpur Institute of Technology and Pharmacy organized a workshop on 15th November 2018 for the students of B. Pharm (3rd year) to help foster the entrepreneurial spirit among young people today and give them adequate direction to launch their own enterprises. The speakers were Mr. Akshat Srivastava from **Campus Haat** and Ms. Devyani Verma from **Josh Talks**. Mr. Akshat briefed about his entrepreneurial journey, and Ms. Devyani talked about how social media can be used as a business tool. She elaborated that using social media allows customers to connect and interact with your business on a more personal level and using online networking sites can also be valuable to your business, often for the purpose of knowledge sharing and word-of-mouth referrals.

A voluntary Blood Donation Camp in association with UHM Hospital, Kanpur

If you're a blood donor, you're a hero to someone, somewhere, who received your gracious gift of life." Kanpur Institute of Technology and Pharmacy organized a BLOOD DONATION camp in the campus in association with **Ursula Horsman Memorial (UHM) Hospital, Kanpur** on **21st Nov'18**. The camp was inaugurated by Dr. S.C. Verma from UHM, Kanpur in the presence of Director & HoD of the Institute. Many students, faculties & staff voluntarily came forward to donate the blood. A total of 55 units of blood was donated by the institute. All together they helped sharing the invaluable gift with someone in need.

Health camp for various tests

As it is said that- “Good health and good sense are two of life's greatest blessings.”

The KITP family believes in prioritising its members' health. We have always taken it as a significant concern when it comes to the health of our students, faculty and staff members. So, like always, we organised a health camp for various tests like Eye test, Blood Pressure, Orthopaedic test, Blood sugar and ENT check-ups. The camp was held in association with **JL Rohatgi Hospital** and Rotary Club of Kanpur Classic. Dr Aparna Mahendru inaugurated the camp. More than 450 students and 100 staff and faculty members benefited from the health camp.

Advancement in Technology

An Advancement in Technology collaboration lecture with **HTech soft** is organized in institute. Classes have commenced in KITP and students are attending the lecture with full excitement and interest. Faculties are imparting knowledge to the students so that they can make a difference for others.

Financial Education & Awareness with SEBI

"Education is not preparation for life; education is life itself." A new session brings a lot of excitement along with many curiosities. A financial education collaboration lecture with **SEBI** is organized in institute. Faculty and students are attending the lecture with full excitement and interest. Faculties are imparting knowledge to the students so that they can make a difference for others. Students have started their studies with eagerness to get a life changing opportunity.

Collaborative Quality Initiatives 2019-20

Importance of Insurance

An interactive seminar on “Importance of Insurance” was held at Kanpur Institute of Technology and Pharmacy for all the faculty and staff members. The guest speaker Mr Utkarsh Pandey along with Mr Surendra Tripathi, Mr Ankit Khandelwal and Ms Shruti Khandelwal from **Max Life Insurance Co. Ltd** interacted with faculties, staff and told the benefits of insurance in life. The seminar focused on Insurance, Saving, Children Education/Marriage, Retirement Planning & Guaranteed Monthly Income.

Non banking finance in India regulatory challenges and concerns

KITP has conducted "The RBI Policy Challenge 2020 Regional Round Essay Competition" on 4th October 2019 for registered students. The topic was 'Non-banking finance in India-Regulatory challenges and concern'. This competition tested the essay writing, problem-solving and presentation skills of the participants and provided the students an avenue for their thoughts. These competitions motivate students to express their ideas & opinions. Competition improvises comprehension and critical thinking of students. Essays were submitted to **RBI** for evaluation.

Anaemia jagrukta abhiyan

Kanpur Institute of Technology and Pharmacy has organised a seminar on "Anaemia Jagrukta Abhiyan" conducted by **Dr APJ Abdul Kalam Technical University (AKTU)**, Lucknow on 13th January 2020. Students and faculty/staff members of the institute have participated in this seminar. All have taken the OATH for awareness of anaemia problem among the females of society.

Career Development

Kanpur Institute of Technology and Pharmacy has organised a seminar on "Career Development" in collaboration with **Gillette & Amar Ujala**. Students and faculty/staff members of the institute have participated in this seminar.

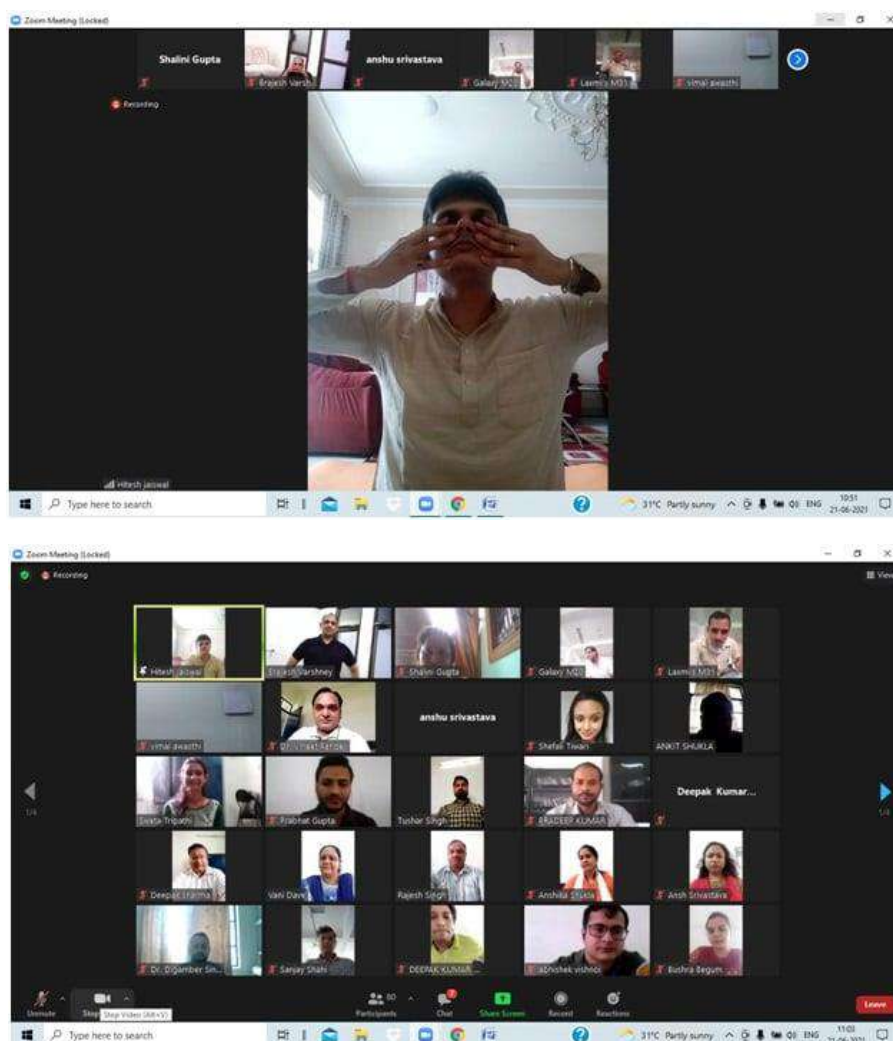

Collaborative Quality Initiatives 2020-21

International Yoga day with Art of Living

International Day of Yoga is celebrated with much fervour every year on June 21. The theme for the International Day of Yoga this year is "Yoga for wellness".

Kanpur Institute of Technology and Pharmacy organized **The Art of Living** Free Covid care online program for faculty, staff and students and launch an essential series of 3 protocols of asana, meditation and breathing practices or pranayama to boost their immunity, improve their mental resilience and bring a semblance of quiet and peace.

Collaborative Quality Initiatives 2021-22

Health Camp

Medical health check up Camp

A free Medical Health Check-up camp was organised Kanpur Institute of Technology and Pharmacy in collaboration with **KRISHNA SUPER SPECIALITY HOSPITAL**. Dr. Hemant and team were present in the camp to facilitate Healthcare services to the people in the campus.

The objective of the camp was to provide information regarding diet, exercise and weight control and counselling on cleanliness along with hygiene & health related issues.

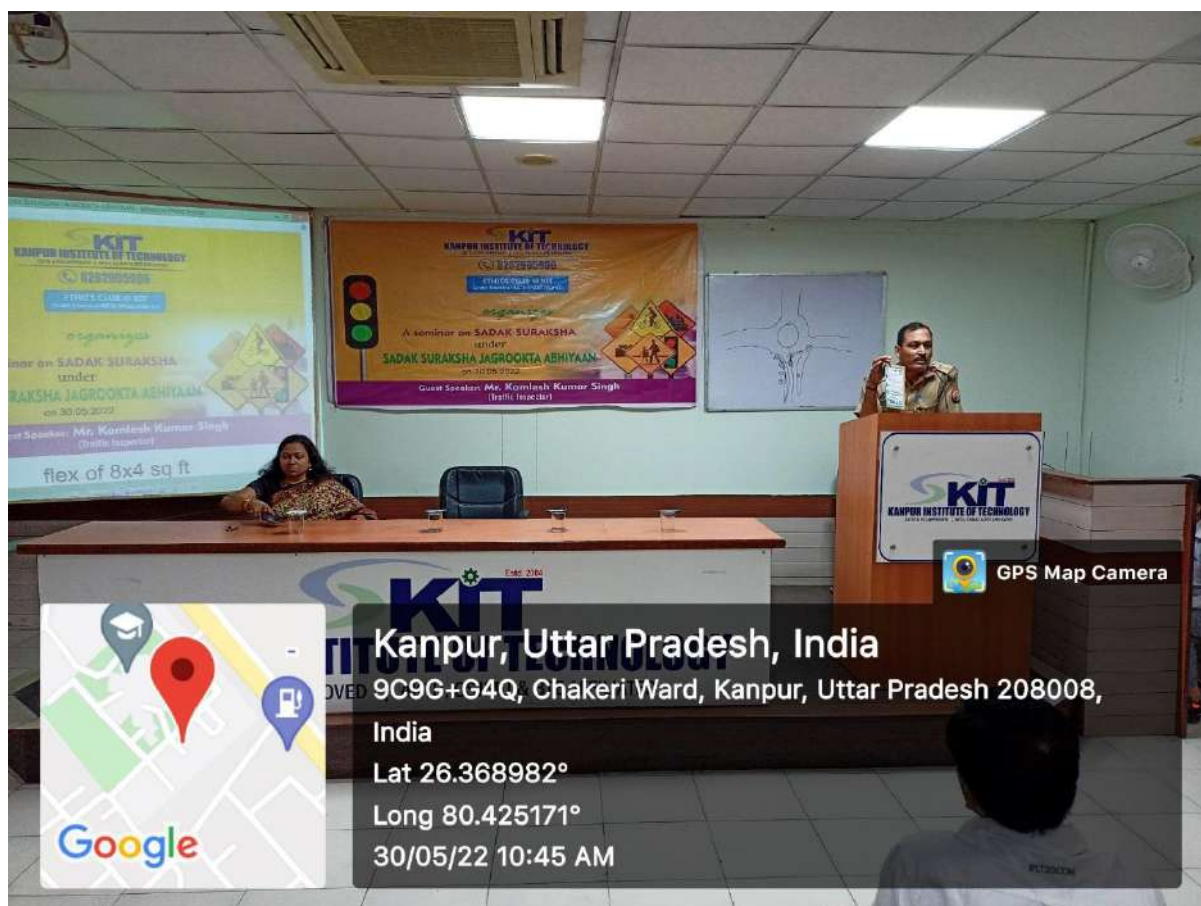

During the health camp, a range of services like routine medical check-up, haemoglobin test, sugar test, height-weight, blood pressure check-up, and blood sugar level check- up was provided.

Sadak Suraksha Jagrookta Abhiyaan

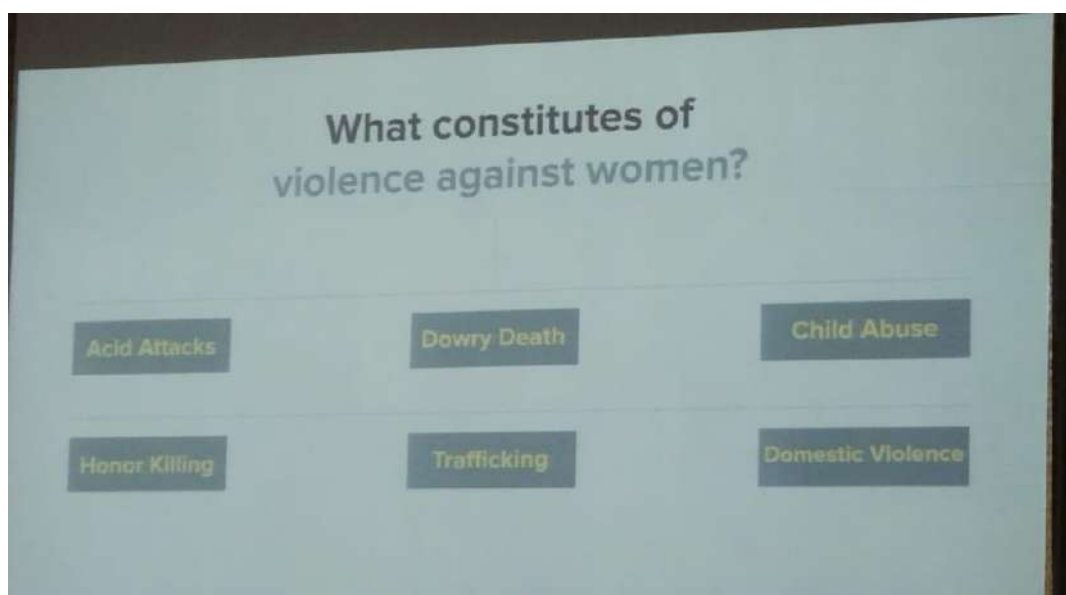

Kanpur Institute of Technology and Pharmacy organized an awareness program on 30 May 2022 by the **Traffic Police** for faculty and students in an effort to raise awareness about road safety and lower the number of accidents.

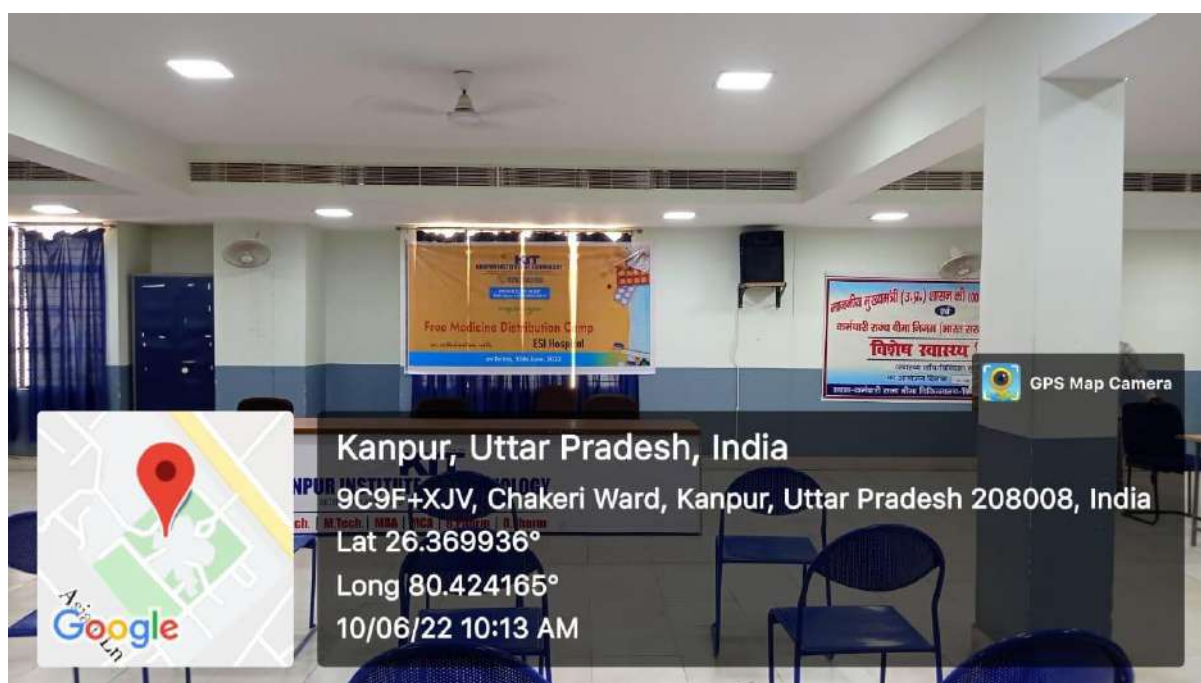

VIOLENCE AGAINST WOMEN

Kanpur Institute of Technology and Pharmacy organised an Awareness Program on "VIOLENCE AGAINST WOMEN" in association with **TVS Raider & Josh Talks** On 07.06.2022. Ms Suparna Chaddha & Vanshika Chhabra addressed the students of Pharmacy and told them how Gender-based violence can have repercussions on the victim's mental and physical health. It was an interactive and eye opening session.

Health Check-up & Medicine Distribution Camp

Kanpur Institute of Technology and Pharmacy organised a free health check-up and medicine distribution camp in association with **ESI hospital**. During the health camp, a range of services like routine medical check-up, height-weight, blood pressure check-up, medicine distribution were provided under the curative services. Promotive and preventive services included counselling on cleanliness along with hygiene & health related issues and provision of multi-vitamins and folic acid tablets dispensing to those who required it.

Say no to smoking and tobacco

“You are not living if you are smoking..... you are taking small steps towards a disastrous life..... Say no to smoking and tobacco to live a healthier and happier life.”

The Chief Medical Officer, Kanpur Nagar along with fellow officers initiated to make aware the young generation of the nation against the harm caused by the intake of TOBACCO in collaboration with the Kanpur Institute of Technology and Pharmacy.

The programme began with volunteers learning all of the facts about smoking tobacco and how it gradually takes the smoker down the path to death. Everyone was astounded by the facts presented to them on the number of people who died as a result of smoking. This was followed by a NUKKAD-NATAK, which educated everyone on the negative consequences of using tobacco in whatever manner.

Students became well aware of the tobacco monster and resolved to keep as far away from it as possible. The ceremony came to a close with students promising not to use tobacco in any form, including cigarettes, bidis, or gutkas.

International Yoga Day

8th International Yoga Day was celebrated by the students and the professors of Kanpur Institute of Technology and Pharmacy on 21st June, 2022 with great enthusiasm. The function began with a brief introduction of Yoga Day by Mr. Amit Srivastava, Yoga trainer from **Art of Living**.

A First Aid program me was conducted on 07 Feb.2023 in Kanpur Institute of Technology and Pharmacy in collaboration with the **Civil Defence Department Kanpur** by our chief guest, Asst. Dept. Controller Dr. Vishnu Sharma and Asst. Dept. Controller Dr. Neeraj Chak where they have taught our students how to assist any person suffering a sudden illness or injury, with care provided to preserve life, prevent the condition from worsening, or to promote recovery.

An Eye Check-up Camp

Better Eyes for A Better Life!! Kanpur Institute of Technology and pharmacy organised an Eye Camp Checkup on 16 Feb.2023 in collaboration with **ASG Group**. Eye camp is the most effective way for providing eye care service to a large number of people in a short time. We identify a large number of cataract patients through these eye camps. It is completely free for patients. The objective of this camp was to spread awareness on eye disorders, early detection of ailments, and to detect refractive errors and provide corrective glasses free of cost to the underprivileged communities.

A hospital visit at UHM District Hospital

Kanpur institute of technology and pharmacy conducted a Hospital Visit at **UHM District Hospital**, Kanpur on 28 march 2023.

All students visited the hospital, before preceding to the Pharmacy & Dispensing Section they interact with Dr. SHAILENDRA TIWARI (HEAD- UHM), Dr. FAISAL NAFEES (Hospital Manager UHM) & Head Nursing In charge Mrs. Khushboo.

Dr. Nafees gave a brief introduction to our students regarding the basic principles to be used in Hospital Formulary, he also nourished to the students with his deep knowledge of drugs and his clinical experiences.

During the period of Training our students got to handle and look at

- 2. OPD (Out patient Department)
- Dispensing Area
- Diagnosis Area
- Emergency Ward
- ICU (intensive care unit)
- Operation Theatre

By this training the students have learned about taking patient history, OPD Procedures, Drug store management, Medicine storage procedures, Stock record maintenance, ICU formalities, etc.

The aim of the visit is to explore the knowledge about Drugs dispensing and patient care.

Change Your Habits, Change Your Life

Kanpur Institute of Technology and Pharmacy, Kanpur in association with **CII Young Indians**, Kanpur organized a talk session for its students, on April 05, 2023; where Author of the book ‘Change your habits, Change your life’ and Habit Coach Mr. Ashdin Doctor interacted with the students and guided them on how small changes can lead to huge success in life.

Institute organized an inspirational lecture on 'Road to Corporate Life' for the students, by their prestigious alumni, Mr. Pulkit Tiwari, working as Senior Marketing Manager in **Amazon India** and Ms. Irisha Verma, working as HR Partner in Amazon India, on Saturday; April 08, 2023. The speakers shared their corporate experience with students and enlightened them with valuable inputs for a better preparation to get into the corporate environment.

Climate change awareness on importance of solar energy

“The climate emergency is a race we are losing, but it is a race we can win.”

Climate is not changing, it has not changed, rather climate change is accelerating. The impact of climate change is now experienced by everyone. One of the largest efforts in the world towards spreading climate change awareness and corrective action is undertaken by Prof. Chetan Singh Solanki. Prof. Solanki is a Professor from IIT Bombay, **brand ambassador of solar energy for Govt. of MP**, and popularly known as Solar Man of India and Solar Gandhi.

It is our pleasure that Prof. Solanki came to Kanpur Institute of Technology and Pharmacy, Kanpur on 21st June and blessed our students by taking a motivational lecture on climate change awareness and corrective action.

Stress Management

“Stress is the trash of modern life-we all generate it, but if you don’t dispose of it properly, it will pile up and overtake your life”

To prove the veracity of this line, KITP organised a guest lecture on “Stress management” on 03rd July 2023 by Dr. Rohan Kumar(Consultant/Psychiatry) **Regency Hospital**.

Dr. Rohan has shared multiple things during his session like- what is stress & how can we manage it and what are the various techniques of stress management. All of the participants enjoyed his session and learned so many good things for the future.
