ABOUT ITES

Indus Technical Education Society (ITES), a society promoted by a team of visionary & motivated IIT alumni (Shri P.K. Jain, Shri Vipul Jain, Shri Anil Kumar Agarwal & Mrs. Neena Verma) established an institute Kanpur Institute of Technology (popularly known as KIT) in 2004. ITES also established an institute Kanpur Institute of Technology and Pharmacy (KITP) in 2009. KITP runs courses B.Pharm & D.Pharm and is approved by PCI, New Delhi & Affiliated to AKTU & BTE Lucknow.

The institute has recently achieved a significant milestone by being accredited with an 'A' grade by NAAC and granted autonomous status by the UGC. Another feather is added in 2019, when ITES opened its third college Kanpur Institute of Higher Education (KIHE). All the colleges are very easily accessible and located at prime location on Kanpur – Prayagraj National Highway, 6 KM from Ramadevi round over at Rooma, Kanpur.

ABOUT KITP

Established in 2009, Kanpur Institute of Technology and Pharmacy (KITP) have been dedicated to shaping competent healthcare professionals and highly skilled individuals with a positive mindset. Led by a team of visionary IIT alumni, institute is recognized as one of the top-rated pharmacy institutes in North India.

The institute offers B. Pharm and D.Pharm, affiliated with Dr. A.P.J. Abdul Kalam Technical University, under College Code (550) and Board of Technical Education (3380), Lucknow. These programs are approved by the Pharmacy Council of India (PCI), New Delhi. A significant achievement this year has been the prestigious NAAC 'A' accreditation and recognition of 2(f) UGC Act, 1956, Autonomous Status by the UGC reflecting KITP's unwavering commitment to academic excellence, research, and holistic development.

Conveniently located in Rooma on the Kanpur–Prayagraj Highway, just 4 km from the Chakeri Airport, Kanpur. The Institute secured first position (Gold medal) in B.Pharm exams in Dr. APJ Abdul Kalam Technical University not once but twice in the span of 14 years, and producing university rank holders in each year. Students gain hands-on experience through skill development programs, enhancing their professional competencies.

This institute provides state-of-the-art facilities, including well-equipped laboratories, modern computer centres, a fully Wi-Fi-enabled campus, video lecture rooms, projector-based air-conditioned classrooms, and seminar halls. The faculty offers personalized attention, ensuring complex concepts are delivered in the most comprehensible manner.

With a strong commitment to excellence in higher technical and professional education, Institute follows a student-centric approach, fostering industry-ready professionals equipped with the knowledge and skills to succeed in their careers.
